

THE BUILDING SAFETY ACT 2022 THE NEW REGIME

The Building Safety Act achieved Royal Assent on 28 April 2022 and is the biggest shake up of building safety regulation since the Building Act 1984.

TRAINING FOR YOUR TEAM

We can provide overview training sessions and tailored workshops for you and your team on the changes made by the Act. Please get in touch for more information.

PROGRAMME

- A brief background to the Building Safety Act
- The Defective Premises Act – Limitation Periods and Building Liability Orders
- Duty Holder Regime
- Higher Risk Building Procedures
- What you need to do now
